Naval Facilities Engineering Command, Southern Division
Building NH-45
Charleston Naval Base
Charleston, SC 29408-2020

Re: Final Comprehensive Corrective Measures Study (CMS)
Project Management Plan and Work Plan
Volumes I and II dated June 25, 1997
Charleston Naval Base
SC0 170 022 560

Dear LCDR Rose:

The South Carolina Department of Health and Environmental Control (Department) and the U.S. Environmental Protection Agency (EPA) have reviewed the above referenced document, page changes and response to comments, according to applicable State and Federal Regulations and the Charleston Naval Base Hazardous Waste Permit, effective June 5, 1990. Based on this review, the Department believes that the Final Comprehensive CMS PMP and WP has been prepared in accordance with permit condition IV.E.3. of the RCRA permit. The US EPA verbally recommended approval of the above mentioned document.

Based on the above and permit condition IV.G.1, the Department hereby approves the Final Comprehensive Corrective Measures Study Project Management Plan and Work Plan for implementation.

Should you have any questions regarding this issue, please contact Johnny Tapia at (803) 896-4179.

Sincerely,

John T. Litton, P.E. Director
Division of Hazardous and Infectious Waste Management
Bureau of Land & Waste Management
